## •WHAT TO BRING AND PACK

### **Your main luggage (if package includes luggage transport between accommodations) :**

Your luggage must be dropped off at the reception desk of your accommodation by 9 a.m. at the latest. It will be delivered to your next accommodation before 5 p.m. Only one piece of luggage per person will be transported. For logistical reasons, we ask you to limit the weight of your luggage to a maximum of 15kg and to avoid hard suitcases: our logisticians and transport partners have to load and unload dozens of them every day, sometimes involving a lot of stairs... The transport company may charge you a supplement at the end of the hike if your luggage is too heavy or too numerous.

### **Your day backpack**

The size of your bag varies upon the type of activity.

For a walk without portage : 30L minimum

For a walk with partial portage : 50L minimum

For a walk with portage : 60L minimum

Whatever activity you participate in, you should always carry in your rucksack:

- Rainwear, warm clothing, spare T-shirt, sunglasses, sun cream, first aid kit, picnic kit, personal items, etc.
- Picnic lunch of the day (bring a plastic box)
- Sufficient water (minimum 1.5 litre water bottle)

### **Walking Boots**

The type of boot depends upon the activities you take part in, however they are one of your most important items. They should be comfortable, waterproof and breathable. For the best protection we advise ankle boots.

We recommend our young walkers to wear flexible walking boots with a good sole and back.

For mountain walking for more than 4 hours long we recommend a boot with a fairly ridged sole.

If you need to buy a new pair of boots, we advise you wear them in before the start of your holiday. Don't wear boots that are too small because feet have a tendency to swell up. Be careful with your shoes that have been left in the wardrobe for too long. The lifespan of a shoe is 2 to 5 years. After a while the soles will come off and the seams can tear.

### **Clothes:**

- A wind and rainproof jacket
- A thick jumper or a fleece
- Comfortable walking trousers
- Shorts, t shirts as well as breathable base layers
- Spare clothes
- Swimwear and towel

### **For Sleeping**

### **For Picnics**
